Mr.
O.S.I. Detachment
Box
A.P.O., new York

Dear Sir:

I am working on a project in which the number-letter combination "DD 19106" seems to be significant. The letters "DD" were actually the fifth character of the Russian Alphabet.

Could you tell me if such a number was ever used as some sort of serial number for an individual associated with American or Soviet intelligence?

Sincerely yours,
